Soilbuild Construction Secures S\$103 Million in New Contracts, Healthy Order Book of S\$809 Million Strengthens Revenue Visibility

- **Construction contract for an industrial facility located in the North East Region of Singapore, which is scheduled to receive temporary occupation permit by the first quarter of 2028.**
- **Precast supply and delivery contract for a Housing and Development Board (“HDB”) public housing project at Bukit Merah, Singapore, which is scheduled to be completed by the second quarter of 2028.**
- **Significant variation order involving an increase in work scope for an existing construction project, which is scheduled to be completed by the second quarter of 2027.**
- **The Group’s latest order book stands at approximately S\$809 million (as of 31 August 2026 and including new orders thereafter), providing revenue visibility ahead.**

Singapore, 26 October 2026 – Soilbuild Construction Group Ltd. (“**Soilbuild Construction**” or the “**Company**”, and together with its subsidiaries, the “**Group**”), a leading construction group, is pleased to announce that the Group has recently secured new contracts (that includes a significant variation order) with an aggregate value of approximately S\$103 million as highlighted above.

Commenting on the new contracts secured, Mr Lim Han Ren, Executive Director and Group Chief Executive Officer of the Company, said: “We remain disciplined in our tendering approach, prioritising opportunities that align with our capabilities and commercial objectives.

As we celebrate Soilbuild Construction’s 50th anniversary milestone this year, we will continue to leverage on the experience and track record that we have built up over the five decades.

We remain focused on delivering our ongoing projects successfully while pursuing new growth opportunities across our targeted market segments, underpinned by our commitment to safety, quality, and timely project delivery.”

----- The End -----
